F1 SHOW CAR SIMULATORS

Create an unforgettable focal point at your event with our F1 Show Car Simulator range, available in both a spectacular Full F1 Show Car and Simulator and a space-efficient Half F1 Show Car Simulator. Both options combine striking Formula 1 styling with professional-grade racing simulation, delivering high-impact visual appeal and an immersive driving experience. The full size model offers maximum presence for large venues and show floors, while the half-car version provides the same thrilling racing experience in a compact footprint, ideal where space is at a premium. Both cars are available with an optional VR upgrade and the Half F1 Car is suitable for children 13 years and up, adding extra flexibility for family-friendly events and interactive zones.

Key Features:

- Authentic full size replica F1 show car
- Integrated racing simulator
- Immersive visuals & audio
- Timed laps & leaderboards
- High visual impact
- Compact half F1 show car setup option
- Custom branding options
- Delivered & installed by experts
- Suitable for children (Half F1 Show Car)

What's Included:

- Choice of Full F1 Show Car or Half F1 Show Car
- 50" Screen (model-matched)
- VR Headset (full model as standard; VR upgrade available for half model)
- Technician operator
- Digital leaderboard

Top Gear Style Leaderboard

Bring a competitive edge to your event with the Top Gear style leaderboard - the perfect addition to any competitive setup. Designed to replicate the iconic leaderboard from the hit TV show, it adds excitement, interaction, and a sense of achievement for every participant.

What's Included:

- Top gear style leaderboard
- Magnetic strips

Digital Leaderboard

Take your event's competitive element to the next level with our Digital Leaderboard. Perfectly suited for use with any simulator, it displays real-time lap times, rankings, and event statistics on a vibrant, easy to read digital screen. Sleek, modern, and fully customisable, the Digital Leaderboard adds excitement, engagement, and a professional edge to any event, turning every lap into a spectator-worthy moment.

What's Included:

- 40" Digital screen and stand

F1-Style Podium *Create an Authentic Prize Ceremony*

Celebrate victory like the pros with our F1-Style Podium. Perfect for medal presentations, cup ceremonies, or end-of-event celebrations, it brings the thrill of the winner's circle to your venue. Complete with podium tiers, backdrop, and optional sound effects, this authentic setup transforms every award moment into a show-stopping highlight, engaging the crowd and giving your champions the recognition they deserve.

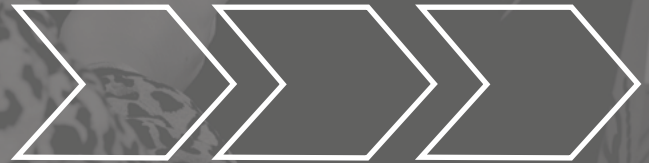

Add Virtual Reality for Ultimate Immersion

Take your event to the next level with our Virtual Reality add-on, available for most of our racing simulators. Step inside the driver's seat and experience every turn, acceleration, and finish line as if you're really there. This fully immersive upgrade combines cutting-edge VR technology with our high-performance simulators to deliver an unforgettable, sensory-rich experience that captivates guests and enhances engagement. Our team will handle all setup and support, ensuring seamless integration and a truly next-level racing experience.

A grayscale photograph of a person with long hair, wearing a leopard print shirt, holding a racing steering wheel. The wheel has 'McLaren' and 'RANATEC' logos. In the background, a large screen displays a racing simulator interface with a dashboard showing '100%', '6', '144', and '10045'. The screen also shows 'avenga' and 'UNASSIGNED' text. The overall scene is dimly lit, with the person's face partially visible in profile.

TEAM BUILD ACTIVITIES

PIT STOP CHALLENGE

Free Play | Team Build

Step into the high-energy world of Formula 1 with our F1 Pit Stop Challenge, available in two dynamic formats: Free Play for fast, continuous head-to-head fun, and team build for structured group challenges that focus on communication and collaboration. Both versions deliver an authentic pit crew experience, complete with tyre changes, time pressure, and professional-grade equipment. Perfect for corporate events, exhibitions, brand activations, and team building days.

Key Features:

- Authentic pit stop experience
- Timed performance tracking
- Spectator-friendly attraction
- Portable & flexible setup
- Customisable formats

What's Included:

- Full size F1-style car
- Air powered guns, digital timer & magnetic leaderboard
- Technical operator

Team Build Extras May Include:

- Tyre theory activity
- Batak pro reaction task
- F1 simulators
- 8-Lane scalextric
- Brand challenge modules

BRANDING OPPORTUNITIES

BRANDING OPTIONS

Every event is an opportunity to showcase your brand, and with 4Events' bespoke branding solutions, we help you do exactly that. Our in-house creative team combines expertise in graphic design, print production, and digital integration to deliver high-impact, fully branded experiences that reflect your identity and message. Whether you're launching a product, hosting a corporate event, or creating an engaging brand activation, we work closely with you to ensure every element aligns seamlessly with your vision.

From subtle branded details to bold, immersive transformations, we make it easy to bring your brand to life across our full range of simulators, games, and event environments.

Physical Branding Options:

- Simulator, vehicle & equipment branding
- Full wraps & custom graphics
- Event furniture & accessories
- Scalextric branding

In-Game Branding Options:

- Trackside hoardings & banners
- Custom colour schemes and liveries for vehicles
- Branded environments
- Digital scalextric customisation

Whether you want to integrate your full corporate identity or explore a themed concept, our creative team will work with you to turn your ideas into a memorable, high-impact experience that engages your audience and leaves a lasting impression.

Everything You Need for a Truly Unique Event

BESPOKE EVENT SOLUTIONS

We always aim to provide unique experiences, and no matter how ambitious your vision, we're equipped to bring EVERY element of your dream event to life. Beyond our in-house creative capabilities, we offer access to a full spectrum of custom event services, from bespoke catering and tailored entertainment to venue sourcing, accommodation planning, and non-technical experiential activities.

Whether your event calls for an exclusive culinary experience, unique performers, or personalised guest experiences, we curate solutions that align perfectly with your goals and audience.

Bring Your Vision to Life

CREATIVE SERVICES

At 4Events, we go beyond delivering entertainment and activities by helping you shape a fully branded, immersive event experience. Our in-house creative team works in close partnership with you to bring your ideas, themes, and objectives to life, whether you have a clear concept or simply a vision to achieve. Combining expertise in design, print production, and digital integration, we create cohesive, high-impact environments that engage audiences and elevate your brand.

From bespoke graphics and visual storytelling to seamless execution from concept through to delivery, every detail is carefully considered. We also offer professional film and photography services, capturing high-quality content to extend the impact of your event across web, social media, and future marketing, ensuring a lasting impression well beyond the day itself.

FESTIVE FUN

Tis' the Season

FEELING FESTIVE?

Bring the joy of Christmas to your event with our festive options. We have a selection of fun-filled options for the winter period. Whether you want to be involved in a virtual reality snowball fight, catch naughty elves as they fall from above or dance the night away on our dance machine we have something for your festive event. We are able to theme most of our activities towards Christmas, so if you have an idea or any questions, just give our friendly team a call for a festive solution.
